Notice of Change in Amount/Change in Debiting Date for Recurring Debits

For recurring debits, when the debit amount varies, specific requirements apply. If a preauthorized debit transfer varies from a previous transfer relating to the same authorization or from a fixed preauthorized amount, the Originator must send the Receiver written notification of the amount and scheduled date of the transfer at least ten (10) calendar days before the scheduled transfer date. Additionally, if the Originator informs the corporate account of the right to receive notice of all varying transfers, the corporate account may elect to receive notice only when a transfer does not fall within a specified range of amounts; or, alternatively, the corporate account may elect to receive notice only when a transfer differs from the most recent transfer by more than an agreed upon amount.
